Summer Internship

DSA Intern training

May 2024 - June 2024

Logic Building, Programming and Data Structures.

About: The training focused on strengthening core programming concepts and improving problem-solving through hands-on practice with data structures and algorithms. It helped in developing logical thinking, writing efficient code, and applying appropriate data structures to real-world scenarios.

Tech stacks used: Java, C++, and DSA

Projects

Credit Card Transaction & Customer Analysis Dashboard

March 2025 – April 2025

- Created a Power BI dashboard to analyze customer demographics, financial behavior, and satisfaction metrics for a credit card company.
- Identified key trends and customer segments based on satisfaction, income levels, loan status, and geographic distribution.
- Enabled data-driven decision-making by delivering actionable insights through interactive and intuitive visualizations.

Tech: C++, DSA

Netflix Data Analysis and Visualization

November 2024 – December 2024

- Performed in-depth data analysis on Netflix's global content to uncover insights on viewership trends, content types, and genre popularity.
- Designed and developed an interactive Tableau dashboard to visualize key metrics like top genres, content distribution, ratings, and country-wise content count.
- Enhanced storytelling through data with compelling visual elements and filters to support dynamic exploration.

Tech: Tableau, Data Visualization, Dashboard Design, Data Analysis.

Certificates

Data Analysis with Tableau

November 2024

Salesforce (Coursera) — Certificate Link

Supervised Machine Learning: Regression and Classification

October 2024

Coursera — Certificate Link

Excel skills for Business

April 2024

Coursera — Certificate Link

Technical Skills

Languages: C++

Tools/Platforms: Tableau, Excel, R, Big Data

Skills: Data Structures and Algorithms, Tableau, Regression, Data visualization, Analytic skills

Education

Lovely Professional University Punjab

Jalandhar, Punjab

Computer Science and Engineering — CGPA: 7.10

2022 – 2026

Sri Gayatri junior college

Hayat Nagar, Hyderabad

12th with Science — Percentage: 95.6%

2020 – 2022

Vivekananda Residential School

Karimnagar, Telangana

10th with Science — CGPA: 8.6

2016 – 2020
